3.10.1 Resistance to change

Unit 3.10 Managing strategic change · 7 key points

- **Barriers to change named by Kotter and Schlesinger:** self-interest, misunderstanding and lack of trust, different assessments, low tolerance of change
- **Self-interest:** people fear losing pay, status or power
- **Misunderstanding:** people do not understand the reasons for the change
- **Low tolerance of change:** people fear they cannot cope
- **Ways to overcome resistance:** education, participation, facilitation, negotiation, manipulation, coercion
- **Choosing a method:** depends on the reason for resistance and how urgent the change is
- **Trap:** participation takes time an urgent change may not have
