3.10.3 Implementing strategy

Unit 3.10 Managing strategic change · 6 key points

- **Implementing strategy:** turning plans into action
- **Role of leadership:** setting direction and keeping people on board
- **Role of communication:** explaining the change and its reasons
- **Role of structure:** the structure must support the strategy
- **Difficulties:** resistance, poor communication, lack of resources
- A good strategy can fail if it is implemented badly
