3.2.1 The Tannenbaum Schmidt continuum

Unit 3.2 Managers, leadership and decision making · 8 key points

- **Tannenbaum Schmidt continuum:** a range of leadership from manager-centred to team-centred
- **Stages:** tell, sell, consult, join, delegate
- **Tell:** manager decides and announces
- **Consult:** manager asks for views, then decides
- **Delegate:** team decides within limits set by the manager
- **Moving along:** manager uses less authority, team has more freedom
- **Forces deciding the position:** the manager, the team, the situation
- **Trap:** it is a continuum, not just two styles
