3.3.4 Promotion and branding

Unit 3.3 Marketing management · 7 key points

- **Promotional mix:** advertising, sales promotion, public relations, personal selling, direct marketing
- **Branding:** name, logo and image that make a product recognisable and distinctive
- **Benefits of branding:** loyalty, premium price, easier launch of new products
- **Social media:** low cost, targeted, two-way communication
- **Viral marketing:** content spread rapidly by customers sharing it
- **Influences on promotion:** budget, target market, product, competitors
- **B2B promotion:** personal selling, trade fairs, relationships
