3.6.5 Communication and good relations

Unit 3.6 Human resource management · 6 key points

- **Communication with employees:** e.g. meetings, intranet, email, newsletters
- **Barriers to communication:** too many levels, poor channels, jargon, attitudes
- **Value of good relations:** fewer disputes, lower turnover, easier change, better productivity
- **Causes of poor relations:** poor communication, low pay, job insecurity, lack of involvement
- **Effective communication:** two-way, clear and timely
- Good employer-employee relations help when the business needs to change
