3.9.2 Becoming innovative and protecting ideas

Unit 3.9 Strategic methods: how to pursue strategies · 7 key points

- **Kaizen:** continuous small improvements, often from staff
- **Research and development (R&D):** investigating and developing new ideas
- **Intrapreneurship:** employees acting like entrepreneurs inside the business
- **Benchmarking:** comparing with the best businesses to find improvements
- **Patents:** legal protection for inventions
- **Copyright:** legal protection for creative work such as writing, music and software
- **Value of protection:** stops rivals copying, allows higher prices for a period
